The diagram shows a site plan with several numbered plots (A-J) and a central green area labeled 'stroomweide'. Plots A, B, C, D, E, F, H, and J are rectangular plots. Plot G is a larger area with internal subdivisions. The central green area is a long, narrow strip. The diagram is bounded by a grid at the top and bottom, and a vertical scale on the right side. The street name 'Kerkhofsstraat' is located at the bottom of the plan.

Kerkhofsstraat
